Jeff,

Looks like Chris feels ready. I'm going to line-up a team coordination with the participants on our side so we're dialed in.

Thanks,
Mat

Good Afternoon Chris:

I wanted to drop you a courtesy note and get a sense of whether you would like to have a R10 briefing before we go into the meeting with Anna Wildeman and Dave Ross. It's set for Thursday, June 4. Ahead of such a discussion, I would offer the following as key points:

- (1) We (R10) has come to independent conclusions after our own evaluation.
- (2) We have engaged with the State at the staff and management levels. ECAD has engaged OECA and OGC along the way.
- (3) Currently, we **Ex. 5 Deliberative Process (DP)**
- Ex. 5 Deliberative Process (DP)**
- (4) We do think the State should do more as it relates to private (individual) drinking water wells in the GWMA. At a minimum, they should know which wells are contaminated and improve communication to the affected households.
- (5) We think (as does OECA with OGC input) that the letter proposed strikes the right balance of informing them of our concerns, while leaving them an opportunity to **Ex. 5 Deliberative Process (DP)**

Please advise if you would like me to set something up with you and the team before the meeting with Anna Wildeman and David P. Ross.

Thanks,
Mat
